

BENEFIT RIDE

Wendy lee has devoted her entire life to the Emergency Service. Wendy Lee has worked for Dorchester County EMS for 25 years. Wendy Lee has answered thousands of calls for help in Dorchester as well as surrounding counties. Now Wendy needs our help. Wendy started having some medical problems in May 2020. A large mass /tumor was found at the base of her skull. In August a second tumor was found in the upper part of Wendy's brain. Both tumors were removed, but with severe complications. Wendy has made a huge comeback, but she and her family could use help during this difficult time. Let's help someone who has helped so many.
