The Lowcountry Food Bank

Mission: The Lowcountry Food Bank’s mission is to lead the fight against hunger throughout the 10 coastal counties of South Carolina. For more info go to <http://www.lowcountryfoodbank.org>.

BackPack Buddies:

BackPack Buddies is designed to fight weekend hunger. Thousands of children in our community rely on free or reduced meals they receive at school. Children at partner schools who experience hunger are enrolled in the program and site coordinators discretely place nutritious non-perishable meals into children’s backpacks to eat during the weekends each Friday during the school year.

Buffalo Soldiers of North Charleston

The National Association of Buffalo Soldiers & Troopers Motorcycle Club is an organization of professional men and women that are dedicated to the sport of motorcycle riding and safety. We ride our motorcycles [Iron Horses] to represent the horses that were ridden by the Buffalo Soldiers of the 9th and 10th Cavalries. In addition to educating the public about the rich history of the Buffalo Soldiers, we dedicate our time, effort and resources to the betterment of the communities in which we live.
